

***“We have to be creative”***

NGO financing in insecure  
times

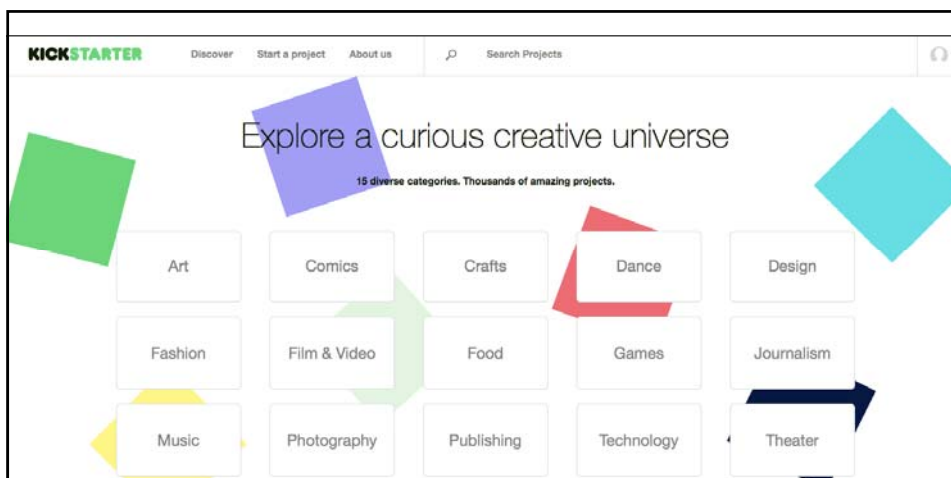

St. Georges, February 2016

## NGOs & Money

*"if you want to be able to speak freely you must have your own power base, you must have your own income, you have to have your own independence because if people are giving you they expect you to tow their line"* Derek, Barbados, November 2015

**KICKSTARTER** Discover Start a project About us Search Projects

## Explore a curious creative universe

15 diverse categories. Thousands of amazing projects.

Art Comics Crafts Dance Design

Fashion Film & Video Food Games Journalism

Music Photography Publishing Technology Theater

*“money ain’t working, in fact it’s got us in deep ca-ca, so what could we do and then we realised people would come and help and crowd-sourcing is a lot better than getting some hand up from some charity saying what our wants are, you know and I don't mind reporting on the use of it and I don't mind because I want to keep up our status to one day get more ...”* Joyce, Grenada, March 2016

**ATLANTIC OCEAN** **CARIBBEAN**

0 200 400 km

*“What I want to start doing now is open up the group to more of an international audience and to do crowd-sourcing, but sort of do it in a more innovative way...so some of the thoughts that we had is that, we have such a large Diaspora so there's like loads of Grenadians Living outside of Grenada who want to give back but they're just so busy that they can't volunteer their time and so they will you know allocate their money...”* Sally, Grenada, February 2016

Petite Martinique, March 2016

## How crowdfunding drives development

Crowdfunding is enabling more aid organisations, charities and civic projects to bypass traditional fundraising techniques

📷 Radar trains mobile citizen journalists. They are using Indiegogo to crowdfund a new online reporting platform.
